

OPEN HOUSE

and FALL FUNDRAISER

Open House at Pets with Disabilities

Saturday, October 23rd 12:00-5:00

This is an outdoor event.

Once a year, we open the rescue to the public and invite all our adopters, friends, volunteers and supporters to come together and celebrate the mission of Pets with Disabilities. We think it's important for you to SEE what all your generous support has accomplished and meet the dogs you are currently helping.

We have a fun day planned
as a "THANK YOU" to you.
We look forward to seeing you!

PLEASE register (RSVP) on the website
